I got Flowers today...

(by unknown)

I got flowers today.

It wasn't my birthday or any other special day.

We had our first argument last night, and he said a lot of cruel things that
really hurt me.

I know he is sorry and didn't mean the things he said,

Because he sent me flowers today.

I got flowers today.

It wasn't our anniversary or any other special day.

Last night, he threw me into a wall and started to choke me. It seemed like a nightmare. I couldn't believe it was real. I woke up this morning sore and bruised all over.

I know he must be sorry, because he sent me flowers today. I got flowers today, and it wasn't Mother's Day or any other special day. Last night, he beat me up again. It was much worse than all the other times.

If I leave him, what will I do? How will I take care of my kids?

What about money? I'm afraid of him and scared to leave. But I know he must be sorry, because he sent me flowers today.

I got flowers today.

Today was a very special day. It was the day of my funeral.

Last night, he finally killed me. He beat me to death. If only I had gathered enough courage and strength to leave him, I would not have gotten flowers today.
